

MOVERS & SHAKERS BALL

40

Four decades of mobility reimagined.

Friday, May 2, 2025 | 6:00–9:00pm | Walden Chicago

This year marks 40 years of Active Transportation Alliance advancing walking, biking, and transit in our region, and to celebrate, we're going big for our Movers & Shakers Ball!

As we look to the future of what sustainable transportation could look like for our region, this year's Ball will feature an exhibition of ideas from local architects, design firms, planners, engineers, and others reflecting imaginative ideas of what our city and region could look like when sustainable transportation is elevated in the way it deserves.

Come be inspired while you enjoy delicious drinks and specialty cocktails, gourmet hors d'oeuvres, and entertainment. We'll also be honoring some of our region's biggest active transportation champions whose work to advance walking, biking, and transit is helping create a more sustainable, equitable, and connected region.

This event is a fundraiser and all proceeds will advance Active Transportation Alliance's work to advance a region that is abundant with sustainable, healthy, and equitable transportation options!

Please show your support by becoming a sponsor of this year's Movers & Shakers Ball!
